HIGHER PERFORMANCE IN SAFETY AND

AS 250

AS 400

...es the legendary toughness of the
... and driveline, users will enjoy the
... and comfort of the semi forward
... cab.

...d renowned Perkins 4.236 Diesel,
...ctly matched to the drive train, gives
... performance and lower operating cost.

...er steering (Saginaw), vacuum
...ed drum Brakes (Bendix) and sound
...ated cab all for enjoyable driving.

- U section steel frame and leaf spring suspension all around, make a perfect compromise of flexibility and toughness giving capability to withstand arduous duty and rough road conditions.

As Chrysler Kamyon, we are proud to offer the wise transporter trucks and pick-ups made for years of trouble-free operation and we are proud to say in brief:

"WE ARE BUILDING A REPUTATION NOT RESTING ON ONE".
