SWISHY HAS BEEN

First few Kenworth 'S' models had individual lettering mounted to the side of hood

SWISHY HAS BEEN

Later version of lettering on side of hood

KW S-925 with chrome radiator grille

KW SAR with large radiator for large HP engines with wide radiator grille

KENWORTH SAR

SWISHY HAS BEEN

Early version of the Kenworth SAR was with small headlights with chrome surround the same as the 'S' model, later versions had large headlights. The diameter size of the aircleaner and air inlet denoted the size of engine HP.
